RE: U.S. EPA Indian Environmental General Assistance Program
GA-00T95601-3
Application Due: JUL 10 2015

Dear Chairman Sanchez:

I am pleased to inform you that your proposal submitted to this office under the U.S. Environmental Protection Agency's Indian Environmental General Assistance Program (GAP) has been tentatively approved for funding. At this time, I am setting aside \$92,000 of funding to support your GAP for one year.

Also, in a separate budget line item, please include \$5,000 as supplemental funding for upgrades to your transfer station. If additional GAP funds become available and your requests are approved, some or all of your supplemental requests may be awarded. The total tentative award for your GAP is \$ 97,000.

We have not received the Tribe's third and fourth quarterly reports and all associated deliverables from the grant year that ended September 30, 2014. These reports are due 30 days after the end of each quarter. Timely submission of quarterly reports and deliverables are part of the programmatic terms and conditions of your GAP grant. **An award for FY 2016 cannot be made until the Tribe's reporting is brought current. Continued failure to submit these reports may result in a delay, reduction, or denial of the Tribe's FY 2016 award.**

Work plan submission, negotiation, and approval will be conducted electronically in GAP Online. The comments attached here for your reference are also available in GAP Online. If we receive your complete application and an **approvable** revised work plan by the due date we will make every effort to award the grant by September 30, 2015. This funding will support work plan activities **from October 1, 2015 to September 30, 2016**. Please do not incur any costs under this work plan until the official grant award document has been signed and dated by the EPA Award Official. Any costs incurred before the date of award will not be reimbursed.

This letter does not constitute a grant award. In order to receive funding, the Walker River Paiute Tribe will need to complete an Application for Federal Assistance (SF-424). **The complete application, including an approvable work plan, must be submitted for EPA review by the due date indicated above.** Materials can be submitted earlier and will be processed on a first-come, first-served basis. Please

note that in completing your application, you will need to enter the GAP Catalog of Federal Domestic Assistance Number (CFDA), required in box #11 on the SF-424A application form, 66.926.

New Process for Submitting Your GAP Grant Application

Effective February 17, 2015, EPA grant applicants **must** use Grants.gov to submit their applications. The Grants.gov registration process can take up to 30 days to complete. Therefore, it is highly recommended that EPA applicants complete their registration on Grants.gov now. Also, your organization's registration in SAM.gov must be active to utilize Grants.gov. If it appears that the grants.gov registration process may prevent you from submitting your application by the due date aforementioned, then please contact Support@grants.gov or call 1-800-518-4726 as support is available 24 hours a day and 7 days a week. You should also notify your Project Officer before the application due date to request an extension.

Please review both Attachment 2 (Grants.gov Instructions Guide) and Attachment 3 (Region 9 Guidance Information for Applicants) or go to <http://www.epa.gov/region9/funding/information.html> to find additional resources on Grants.gov, Federal Regulations, and new EPA requirements. We suggest you forward these materials to your Project Manager, Financial Officer and any other personnel in your organization requiring this information.

I look forward to working with you and your staff under the General Assistance Program. Questions regarding the completion of the application forms as well as the mandatory use of grants.gov should be referred to Renee Chan, Grants Management Specialist, at (415) 972-3675. You can also contact your GAP Project Officer, Veronica Swann at (415) 972-3699 if you have questions regarding this letter, the work plan or the General Assistance Program.

Sincerely,

Laura M. Ebbert
Manager

GAP 2015-2016 Work Plan Comments Walker River Paiute Tribe

Thank you for developing an outcome-oriented work plan. The following observations and requests were written with the intent of strengthening the Tribe's GAP work plan, identifying possible assistance, and ensuring the work plan meets GAP guidelines. These comments pertain to the 2015-2016 work plan that was submitted with your GAP proposal in GAP Online in January 2015. Work plan comments were entered into GAP Online on June 4, 2015. Please address the comments in GAP Online and the following additional comments regarding your work plan prior to submitting your application in grants.gov.

General Definitions and References

1. The following references are useful for understanding GAP in general, for getting an understanding for environmental outcomes, etc.
2013 Guidance on the Award and Management of General Assistance Program Agreements and Appendix I, Guidebook for Building Tribal Environmental Program Capacity
<http://www.epa.gov/region9/funding/pdfs/tribal-gap/r9-gap-guidance.pdf>
GAP Act (<http://www.epa.gov/Indian/pdfs/4368b.pdf>)
2015 GAP Grant Notification (<http://www.epa.gov/region09/funding/tribal-gap.html>)
EPA Strategic Plan (<http://www2.epa.gov/planandbudget/strategicplan>)
2. Environmental outcomes should be expressed in terms of improvements to public health, the environment, or human behavior. They can also reflect improved tribal capacity to protect public health or the environment. Intermediate outcomes could reflect: a) improved human health or environmental conditions, b) reduced risks to human health or the environment, c) increased tribal capabilities in legal, enforcement, technical, communication, or administrative areas. Long-term outcomes could include attainment of desired environmental conditions (e.g., water quality standards are met) or human health goals, attainment of a desired capacity to plan, develop, implement, manage and sustain tribal environmental programs.
3. Please ensure that each component in your work plan contains one or more capacity indicators that appropriately links to the associated commitments. Capacity indicators represent the destination of the Tribe's work and therefore the Tribe should express how it will accomplish the tasks necessary to achieve the indicators proposed in its commitments. Moreover, capacity indicators should ideally be placed in the "Measures" section for each component in the work plan. More information on the appropriate use of indicators is found on page 13 of the GAP Guidance. A suite of indicators that the Tribe may consider for inclusion in its work plan is contained in Appendix I of the GAP Guidebook.
4. Greening Grants Policy: EPA Region 9 has adopted a Greening Grants Policy which encourages grantees to carry out their EPA grant funded projects in a greener way. Your Project Officer will work with you to determine whether it is feasible to incorporate green practices into your work plan. The Greening Grants Policy includes an attachment which

describes many useful green practices. The policy furthers the objectives of EPA's 2011-15 Strategic Plan. The link to Greening Grant Policy is on the Region 9 Website Homepage, <http://www.epa.gov/region9/funding/greening-grants.html>

5. EPA may allow IDC costs to be budgeted for grants when indirect costs rates have been approved within the preceding three fiscal years. When IDC rates are not current at the time of the grant award, a term and condition will be used to require the Tribe to notify EPA and refund any overfunded amounts.

BUDGET COMMENTS

Please revise your budget to reflect the tentatively approved core amount of \$92,000. Please also add a separate line item in your budget for \$5,000 of contractual work to your transfer station. The total tentative award for your GAP is \$97,000.

WORK PLAN COMMENTS

Throughout the work plan, commitment end dates are identified as 09/30/2016. Commitment end dates should reflect the actual expected completion date of the commitment, and should not all reflect the end of the grant year.

Joint Evaluation: The Quarterly Reporting and Joint Evaluation process are missing from the workplan. Please see Attachment F from the notification to ensure that the work plan contains a process in which EPA and the Tribe together evaluate the successes of the Tribe under GAP. The attachment can be found at: <http://www.epa.gov/region9/funding/pdfs/tribal-gap/fy2015-r9-gap-notification-attach-d-workplan-quarterly-report.pdf>

EPA Region 9 - Grants.gov Instructions Guide

(March 2015)

Applications for Federal assistance must be submitted through Grants.gov.

Register with Grants.gov! In order to submit your application using Grants.gov, your organization must be registered with Grants.gov. Please allow four weeks to complete the registration process. Also, please note that you must have a DUNS number and an active SAM.gov registration before registering with Grants.gov. You can find more information about registering at:

<http://www.grants.gov/web/grants/applicants/organization-registration.html>

To Access and Download Grant Application Package go to:

<http://www.grants.gov/web/grants/applicants/download-application-package.html>

1. Funding Opportunity Number (FON).

- A. Competitive Programs: Refer to the competitive solicitation for the applicable FON. Applicant will enter this into the "Funding Opportunity Number" field to locate the application package.
- B. Non-Competitive Discretionary Programs: Obtain FON from your EPA Point of Contact (POC). Applicant will enter this into the "Funding Opportunity Number" field to locate the application package.
- C. Continuing Environmental Programs (CEPs): The list of available CFDA numbers for CEPs have been divided between two FONs. The two FONs used to access the application packages are **EPA-CEP-01** and **EPA-CEP-02**. Refer to the following Attachment to determine which FON your CFDA is published under. Applicant will enter this into the "Funding Opportunity Number" field to locate the packages.

CFDA Number: (#)

→ Funding Opportunity Number: (C)

Funding Opportunity Competition ID: (C)

- 2. **Download the package** associated with CFDA 66.XXX.
- 3. **Complete the Grant Application Package.** Attach the forms and information required by your particular program. **Contact your EPA POC if you have questions about which forms and materials you must submit for your program.**
- 4. **Submit your application.** Go to <http://www.grants.gov/web/grants/applicants/apply-for-grants.html> for more information on this process.
- 5. **Confirm with your EPA POC** that EPA has received your application package. **If for ANY reason you cannot submit your application by the deadline specified, contact your EPA POC immediately.**

- **Omni-Circular under 2 CFR 200 & EPA Regulations under 2 CFR 1500:**

EPA has officially adopted the OMB Omni-Circular effective **December 26, 2014**. Specifically, in a **joint interim final rule** published in the Federal Register on December 19, 2014 (see 79 Fed. Reg. 76050-76063), EPA adopted the Omni-Circular. This includes adoption of Omni-Circular requirements located at **2 CFR 200** along with EPA-specific provisions mandated by statute, regulation or agency policy now codified under **2 CFR 1500**. OMB's website at **<https://cfo.gov/cofar/>** is the location for resources regarding the Omni-Circular, including **OMB's Frequently Asked Questions (FAQ)**.

- **Interim Financial Assistance Conflict of Interest Policy:**

In accordance with the Omni-Circular's Conflict of Interest disclosure requirements under **2 CFR 200.112**, EPA issued the **Interim Financial Assistance Conflict of Interest Policy**. Requirements include applicants providing a prominently titled conflict of interest disclosure statement attached to the SF 424, if applicable. This policy applies to all individuals and non-federal entities requesting and receiving EPA financial assistance on or after **December 26, 2014**. (Note: A standard EPA form is not currently available for the COI disclosure requirement since this is an interim policy.)

- **Submission of Grant Applications via Grants.gov:**

Effective **February 17, 2015**, EPA grant applicants must use **Grants.gov** to submit their applications. It is highly recommended that EPA applicants complete their registration on Grants.gov now, since the entire process can take up to 30 days to complete. Information located at **Submitting an Application to Grants.gov Apply** and **Applicant Resources** for Grants.gov will help you get started. Applicants are also encouraged to view a previously recorded **EPA Information Webinar** session/ presentation regarding Grants.gov or register for an available session.

Grants.gov support/assistance is available 24 hours a day 7 days a week at 1-800-518-4726 or **Support@grants.gov**. For International callers, call (606) 545-5035 to speak with a Grants.gov Contact Center representative. Also, the **Region 9 Application Checklist** will help ensure your EPA application submitted through Grants.gov is complete.

- **Bundling of Grant Application Certifications (for States & Tribes):**

State and Tribal applicants are highly encouraged to submit annually a single set ("bundling") of application certification forms with a cover letter. The letter must indicate the applicable timeframe (usually a federal or state fiscal year) of the certifications for all EPA grant applications received by Region 9 Grants Management Office (GMO) within that period. GMO accepts Adobe format (.pdf) of the letter with applicable signed certification(s) through the electronic mail box:

grantsregion9@epa.gov. Please note that updated forms must be submitted when changes to the responses are required. The following certifications can be bundled:

- ❖ Standard Form (SF) 424B, Assurances for Non-Construction Programs
- ❖ EPA Form 6600-06, Certification Regarding Lobbying, Certification for Contracts, Grants, Loans and Cooperative Agreements
- ❖ EPA Form 4700-4, Preaward Compliance Review Report for All Applicants Requesting EPA Financial Assistance

Applicants are highly encouraged to use bundling of their certifications if multiple EPA applications are submitted annually. Bundling can be especially helpful as EPA is transitioning to Grants.gov. Please contact your EPA Grants Specialist for questions regarding bundling.

EPA Application Forms:

<http://www.epa.gov/ogd/forms/forms.htm>

- **Changes to the Minority & Women Business Enterprise (M/WBE) Utilization Reporting Requirement:**

The EPA issued a revised class deviation from **40 CFR 33.502** on **December 4, 2014**, which supersedes the M/WBE reporting requirement specified in the recipient's Notice of Award. The EPA financial assistance recipients are now required to report annually when certain conditions are met to reach a threshold of \$150,000. Please review the current information from **EPA's Small Business Programs**.

Component Cost and Work Years Guidance

Applications must include estimated component cost and associated work years. At present, Tribes are providing estimated costs that do not, when added together, equal the total budget request and budgeted FTE supplied with the work plan.

Suggested instructions for Tribes:

Estimated Component Costs should, when added together, equal the total budgeted amount. Two suggested ways to arrive at numbers that are equal:

Evaluate the relative *percentage* of financial resources each work plan task will take, each task being some percentage of 100; multiply that percentage by the total budgeted cost to get the estimated cost per component.

	Component 1	Component 2	Component 3	Total Budget
Percentage of Total:	25%	45%	30%	100%
Cost:	\$ 29,319	\$ 52,774	\$ 35,183	\$ 117,275

Alternately, as an addendum to calculation of the Total Program Budget, add columns wherein the contribution of each component to the total budget is calculated, and total component budgets across budget categories, applying indirect costs if applicable, personnel costs, and fringe. This "estimate" leans more toward accurate budget numbers.

Category	TOTAL	Component 1	Component 2	Component 3
(FTE)	1.5	0.375	0.6	0.525
Personnel	\$ 55,000	\$ 13,750	\$ 22,000	\$ 19,250
Fringe	\$ 18,150	4,537.50	7,260.00	6,352.50
Supplies	\$ 5,000	500	4100	400
Travel	\$ 5,000	4200	800	0
Equipment	\$ -	0	0	0
Contractual	\$ 15,000	4000	8000	3000
Subtotal	\$ 98,150	\$ 26,988	\$ 42,160	\$ 29,003
Base for Indirect	\$ 83,150	\$ 22,988	\$ 34,160	\$ 26,003
Indirect	\$ 19,125	\$ 5,287	\$ 7,857	\$ 5,981
Total	\$117,275	\$ 32,275	\$ 50,017	\$ 34,983

Estimated Component work years should, when added together, equal the total budgeted FTE for the program. One work year is equal to 2,080 personnel hours. A work year is also known as a full time equivalent (FTE), since it is based on a full time job; 40 hours per week * 52 weeks per year = 2,080 hours per year.

Two suggested ways to arrive at numbers that are equal:

Evaluate the relative *percentage* of staffing resources each work plan component will require, each component being some percentage of 100; multiply the percentage for each component by the total requested FTE to arrive at the estimated FTE per component.

staffing	Component 1	Component 2	Component 3	Total Budget
Percentage of Total:	25%	40%	35%	100%
Cost:	0.38	0.60	0.53	1.50

Alternately, when calculating the budget in the detailed manner for the Estimated Component Cost, take the FTE applied to each component and use that value to represent the estimated component FTE.
